On a serious note, let's keep a great thing going. Our leagues are fantastic, our tournaments are competitive yet fun, our couple's nights are very enjoyable, and just being on the course or in the clubhouse among friends makes the summers in Hendricks pretty special.

So, cheers to a great 2011! Please spread the word about the fun we're having at the Hendricks Golf Club. It's something that everyone in and around Hendricks are more than welcome to experience! Thank you to all of you for continuing your memberships!

Your club President,

Travis Olsen
